

How to Order for International Shipping

*Please inquire about price and inventory before order. Especially for the price, it varies according to the exchange rate and other international circumstances at the time.

*We basically accept Japanese Yen only. Please request for a quotation before order if you prefer the other currency such as USD or Euro.

*The following information is necessary to place an order. Please indicate all those information on your order form.

- Product Code and Name
- Quantity and Price
- Shipping Address
- Billing Address

◆Order by E-mail

E-mail address : sales@watanabechem.co.jp

◆Order from our Website

Please go to "Contact Us" for contact form.
